

Verse	Church Leader application	Personal application
John 2:23-25	Am I teaching believers to be trustworthy?	Am I trustworthy in all things?
John 3:2	Am I teaching believers to live in Christ?	Can people tell that I am in Christ?
John 3:3-9	Am I teaching believers how to teach the lost about Jesus?	Do I share Jesus with at least 5 people a week?
John 3:10	Do I teach believers to desire a "title" or Jesus?	Do I desire to know God's ways or men's ways?
John 3:11-13	Am I teaching believers to trust God or Man?	Do I trust what people say more than what the Bible says?
John 3:13-17	Am I teaching believers to teach the lost to trust Jesus for salvation? Or is evangelism only the work of religious leaders?	Am I sharing Jesus with at least 5 people each week?
John 3:18	Do I teach believers that they are free from judgment or still stand under God's judgment?	If God has forgiven me, do I forgive myself? If not, how have I grown Spiritually with my own un-forgiveness? (rhetorical)
John 3:19	Do I preach about God's Judgment?	Am I forgiven or not? Have I asked Jesus to forgive me for my sins? (All sin is against God)
John 3:20-21	Do I teach believers to live in the light and remove the darkness from their lives? Teach 2 Corinthians 4 to all believers and teach them to teach others this too.	Believer, what do I do at night in the darkness? What darkness remains in me? What darkness do I choose over light? How has darkness helped me? Memorize the whole chapter of 2 Cor. 4 and don't give in to darkness!
